School Committee Review Topics
2009-2010

The following topics were reviewed by the School Committee last year in light of efficiency and effectiveness of program delivery and of any potential cost savings. The table below identifies topics and timelines for review for the 2009-2010 school year.

All topics will be presented in the following format:

- Current status of the program and associated costs to deliver (if pertinent)
- Vision for program development and delivery
- Steps initiated this year to enhance program with associated cost projection and/or potential reduction

PLEASE NOTE DATES FOR REVIEWS SUBJECT TO CHANGE – REFER TO SCHOOL COMMITTEE AGENDA ON WEBSITE FOR UP TO DATE INFORMATION
