

MERSD Instructional Technology Hybrid and Remote July/August Update

Dr. Julie Riley

August 4, 2020

Creating and Adopting a Hyflex Model

Online Remote + Hybrid=Hyflex

[The Modern Classrooms Project](#)

[Blended Content Studio Video](#)

Technology to Support Hybrid and Remote Learning

What is the Need?

- Create Impactful Lessons
- Communicate with Students
- Build Classroom Community, Collaboration & Feedback for Students
- Support for All Students

Which Technology Resources Support This?

- LMS & Instructional Strategy Trainings to address whole group and small group supports, student engagement, and parental support
- Zoom Rooms, Google Hangout, MSSAA, and Modern Classroom Trainings
- Flipgrid, Padlet, Pear Deck, Screencastify Submit, Edpuzzle, Kami
- SEL, Yale Support Sessions. Dr. Elizabeth Englander, Trauma Informed Schools, ADL
