

Welcome the 8th grade Science

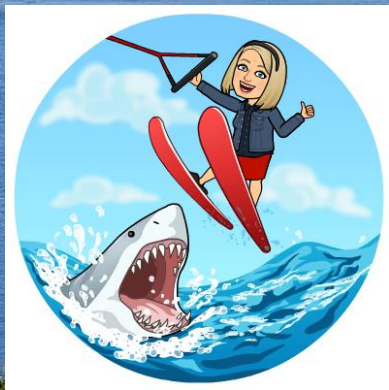

Learning is like rowing upstream;
Not to advance is to fall back-
-Chinese proverb

How can you reach
me?

petriek@mersd.org

petriek@meapps.org

What will be doing this year?

Unit 1: Earth, Moon, Sun
System/Motion of Planets

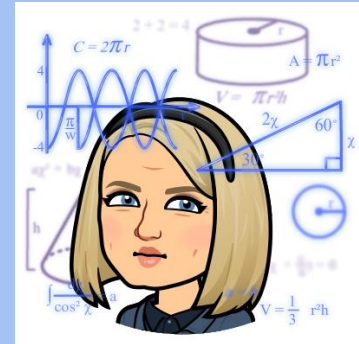

Unit 2: Genes and Proteins,
Mutations/Genetic Variation

Unit 3: Predicting Weather and
Ocean Currents

Unit 4: Growth and
development of organisms

Unit 5: Heat and Matter

Unit 6: Force and motion

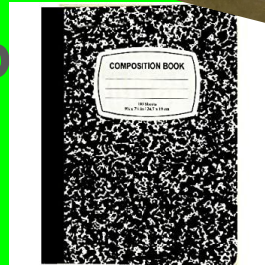

Supplies you will need.

Science supply bag

Composition Book

Pens/pencils

SCHOOL
SUPPLIES

Class Syllabus

Grading:

Grades are based on points. There are 4 ways students earn points.

Homework
lowest point values (around 1-5 pts.)

Participation (lab investigations/binder organization)
point value range 20-25 pts.

Quizzes
point value range 10-20 pts.

Tests
Highest point value (25-50 pts.)

Homework:

Absent: For each day you are absent you will have that many days to complete missed work.

(ex. 2 days absent 2 days to get work in without reduced grade)

Late Homework: Late homework will receive a 50% reduction. Late work will not be accepted after 1 week.

How is homework graded? Most homework assignments are completion grades. If all directions are followed student receives full credit.

Class Expectations:

1. Come to class prepared and ready to work
2. Follow class procedures
3. Follow directions/ Ask Questions
4. Have your supplies ready everyday
5. Most important expectations:
Talk to me.. Let me know what you are
Thinking.
6. Smile.

**YOU CAN
DO IT**
