For students new to the Manchester-Essex Regional School District (MERSD), please provide a proof of residence in the form of a utility bill or a copy of a lease or mortgage for the parent/guardian of the child.

1. Approval of a home school program must be obtained in advance of the removal of a child/children from public schools and prior to the commencement of the home schooling program.
2. MERSD will provide the parent/guardian with an opportunity to explain their proposed plan or present witnesses on their behalf.
3. The parent/guardian bears the responsibility of demonstrating that the home school proposal demonstrates that the instruction will equal in thoroughness and efficiency that which is made available in the MERSD.
4. MERSD may request standardized testing to determine that the progress made by home-schooled students is equal in thoroughness and efficiency to that in the MERSD.

Please list the materials that will comprise the curriculum you will be using with your child (named above) on the following page and/or on additional attached pages. Include the title and publisher of all materials. You may also attach a copy of the scope and sequence for your curriculum materials. You are encouraged to state your reasons for choosing home-schooling.

At the close of each school year, please send a letter briefly summarizing your child's academic progress and your intentions for the following school year.

¹ If addresses are different, please indicate which parent/guardian has primary custody or, if joint custody, please provide a schedule of parenting time on the reverse of this page.
