The flyer features a background of faint vegetable and fruit sketches. At the top left is the 'Open Door' logo in orange and green script. To its right is the circular seal of the Manchester Essex Regional School District. Below the logo is the title 'Mobile Market Farmers Truck' in bold green text. A red banner below the title reads 'FREE fruit, vegetables, and groceries!'. Two green-bordered boxes provide event details for Thursday, September 22 and Thursday, September 29. At the bottom, three polaroid-style photos show a woman with a child, a food truck, and hands selecting produce. A 'Questions?' section with contact information is also present.

COVID Guidance 2022-2023

Currently, there are no special policies or procedures for the 2022-2023 school year. Families and staff are however asked to comply with the following best practices and DPH guidance:

- Please stay home when.
- Remain at home for the DPH prescribed five days if COVID positive.
- When returning from a COVID five-day absence individuals are expected to adhere to the guidance of wearing masks for days 6-10.
- Masking is strongly supported and encouraged for all who wish to continue with this mitigation practice. Masks remain available in all schools
- All families are encouraged to have their students.
