4/5	End of Quarter 3

Career Day 2019 – STILL LOOKING FOR PRESENTERS

On April 10th MERHS will hold a Career Day for sophomores and juniors. The day will be organized as a conference-style event. Students will sign up to attend three twenty minutes sessions to hear about a profession and the presenter's career path. MERHS is seeking community members that would be willing to share their career experience with our students. The time commitment is 9am until 11am on April 10th. We are looking for a broad variety of careers. Please use this link to express your interest in presenting: <https://goo.gl/qnW4Bf>

Debate News

On Monday, March 25th, Manchester Essex Debate traveled to Waring HS to engage in Extemporaneous Public Forum debate with Lynn HS and Waring students. The students were judged on their ability to debate the topic: Resolved: College admissions is inherently unfair process. (See photo in attachment)

Green Team News

Water Filling Station Funding

The Green Team has begun the implementation of a Water Conservation & Plastic Reduction push over the past 18 months. During this time, there have been 3 filling stations installed in the Middle-High School. There have been several students that have taken on the challenge of increasing awareness, and seeking funding to continue with this initiative. Abby Lantz is one of those students. With diligence, she was able to identify several potential donors. She corresponded with them, explaining what The Green Team is all about and what she wanted to accomplish. Today, her efforts were rewarded with a \$500.00 grant from: TATA & HOWARD of Marlborough. In their letter, Co-President Karen Gracey said “We want to thank you for implementing this program at your school and reducing the amount of plastic water bottles being used”. It is a goal of The Green Team to seek out and foster relationships with members of the larger community to work toward common outcomes. The Green Team and Abby would like to thank Karen Gracey and TATA & HOWARD for their generosity. (see photo in attachment)
