Class Expectations

Be Kind

- do your part to create a safe classroom space that encourages others to take risks in their challenge zone and grow as learners
- seek out your partner during group work and invite his or her opinion; listen and respond
- praise your peers for their efforts with sincere, specific compliments

Be Prepared

- arrive in class with homework folder, planner, writing utensil, and novel
- choose a learning space where you can grow your skills
- return classroom materials after use and keep your desk area tidy

Be Productive

- raise your hand and volunteer to read aloud or lead a class activity
- pay attention during instruction and follow teacher directions
- stay on task with your group during cooperative activities

Have Fun

- select topics, texts, and assignments that interest and stretch you
- celebrate your accomplishments
- share your talents with your peers
