“March Madness Junior Resume Challenge”

Juniors have the entire month of March to submit a one-page resume to the Guidance office. It does not have to be a perfect, polished, final resume – we are striving for 100 percent participation from the Class of 2018. Once we reach 50 percent participation, the awesome reward for meeting the challenge at 100 percent will be revealed. Get started now! There are 21 school days remaining in March.

AP Exams – Registration/Payment Forms Now Available

Students currently enrolled in AP courses will be taking the corresponding AP Exams at the designated times, May 1 – 12, 2017. For detailed information about the AP program, visit The College Board’s [AP Bulletin for Students & Parents](#). MERHS specific registration and payment forms are now available in the high school main office. The fee for each AP Exam is \$93 with checks made payable to Manchester Essex Regional High School. Inquiries regarding reduced exam fees/waivers should be directed to Beverly Low in the Guidance & College Counseling Office to determine eligibility within the AP guidelines.
