Gardner Project – Bikes for Humanity

Due to the unfortunate weather headed our way, The Gardner Project students have decided to postpone the bike drive we are hosting at the high school. It will move from this Saturday (April 1st) to next Saturday (April 8th) from 10-2. With this late of notice I am hoping you all can spread the word to the best of your ability so that people are not trying to drop off bikes tomorrow morning.

“March Madness Junior Resume Challenge”

Juniors have the entire month of March to submit a one-page resume to the Guidance office. It does not have to be a perfect, polished, final resume – we are striving for 100 percent participation from the Class of 2018. Once we reach 50 percent participation, the awesome reward for meeting the challenge at 100 percent will be revealed. Get started now! There are 21 school days remaining in March.

AP Exams – Registration/Payment Forms Now Available

Students currently enrolled in AP courses will be taking the corresponding AP Exams at the designated times, May 1 – 12, 2017. For detailed information about the AP program, visit The College Board’s [AP Bulletin for Students & Parents](#). MERHS specific registration and payment forms are now available in the high school main office. The fee for each AP Exam is \$93 with checks made payable to Manchester Essex Regional High School. Inquiries regarding reduced exam fees/waivers should be directed to Beverly Low in the Guidance & College Counseling Office to determine eligibility within the AP guidelines.
